

Back To Nature Safer Deglosser is ready-to-use and is recommended for cleaning and preparing indoor and outdoor surfaces before painting. Safer Deglosser will improve paint adhesion when working with surfaces that are not perfectly clean.

DIRECTIONS: Dampen a clean cloth liberally with Safer Deglosser and apply full strength over an area of three or four square feet at a time. Change the cloth or use clean surface of cloth to avoid redepositing loosened grime. All surfaces should be thoroughly rinsed with water and allowed to dry before refinishing. Be sure to wipe up drips or spills on surfaces that might be subject to water spotting.

CAUTIONS: CONTAINS SODIUM META SILICATE. Harmful if swallowed. May cause eye burns or skin irritation. Do not take internally. Avoid contact with eyes or prolonged contact with skin. Protect surfaces such as carpets, rugs or furniture, as sodium meta silicate may cause stains or discoloration. Close container after each use. Do not transfer contents to unlabeled containers. **WARNING:** THIS PRODUCT CONTAINS CHEMICALS KNOWN TO THE STATE OF CALIFORNIA TO CAUSE CANCER AND BIRTH DEFECTS, OR OTHER REPRODUCTIVE HARM.

FIRST AID: If swallowed, do not induce vomiting. Drink large quantities of water. Never give anything by mouth to an unconscious person. Call poison control center, hospital emergency room or physician for instructions. In case of eye contact, immediately flush with water for at least fifteen minutes. Get medical attention. In case of skin contact, wash with soap and water. If irritation persists, get medical attention.

KEEP OUT OF REACH OF CHILDREN.

California SCAQMD Rule 443.1 Max. VOC: 12 g/L; Max Vapor Pressure of VOC: 0.2 mm Hg. Non-photochemically Reactive.
