

DANGER!

Hazard statement

Highly flammable liquid and vapor. Toxic if swallowed. Toxic in contact with skin. Causes serious eye irritation. Toxic if inhaled. Suspected of damaging fertility or the unborn child. Causes damage to organs. Causes damage to organs through prolonged or repeated exposure.

Precautionary statement

Prevention: Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Keep away from heat/sparks/open flames/hot surfaces. - No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Do not breathe mist or vapor. Wash thoroughly after handling. Do not eat, drink or smoke when using this product. Use only outdoors or in a well-ventilated area. Wear eye protection/face protection. Wear protective gloves/protective clothing/eye protection/face protection.

Response: If swallowed: Immediately call a poison center/doctor. If on skin (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If inhaled: Remove person to fresh air and keep comfortable for breathing. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Call a poison center/doctor. Rinse mouth. If eye irritation persists: Get medical advice/attention. Take off immediately all contaminated clothing and wash it before reuse. In case of fire: Use appropriate media to extinguish.

Storage: Store in a well-ventilated place. Keep container tightly closed. Store in a well-ventilated place. Keep cool. Store locked up.

Disposal: Dispose of contents/container in accordance with local/regional/national/international regulations.

WARNING: THIS PRODUCT CONTAINS CHEMICALS KNOWN TO THE STATE OF CALIFORNIA TO CAUSE CANCER AND BIRTH DEFECTS, OR OTHER REPRODUCTIVE HARM.

Supplemental information

Static accumulating flammable liquid can become electrostatically charged even in bonded and grounded equipment. Sparks may ignite liquid and vapor. May cause flash fire or explosion.

This product is a "Hazardous Chemical" as defined by the OSHA Hazard Communication Standard, 29 CFR 1910.1200.

Usage: Keep container tightly closed. Closures must be retained and tight for returning. Flammables and Combustibles: Ground and bond to certified grounding system, and use spark proof tools.

Health Hazards: May be fatal or cause blindness if swallowed. Vapor harmful. May affect the brain or nervous system causing dizziness, headache or nausea. Causes eye, skin, nose and throat irritation. Avoid breathing vapor or spray mist. If you experience eye watering, headaches, dizziness or have difficulty breathing, increase fresh air or wear respiratory protection (NIOSH approved) or leave the area to obtain fresh air. Reports have associated repeated and prolonged occupational overexposure to solvents with permanent brain and nervous system damage. Intentional misuse by deliberately concentrating and inhaling contents may be harmful or fatal. Protect eyes with chemical splash goggles and avoid prolonged skin contact.

sunnyside DENATURED ALCOHOL

Alcohol Appliance Fuel • Marine Stove Fuel
MFG# 83455

CAUTIONS: CONTAINS METHANOL AND DENATURED ALCOHOL. Cannot be made non-poisonous. Keep away from heat, sparks and flame. Vapors may cause flash fire. Vapors are given off rapidly during use and may ignite explosively. Vapors are heavier than air and may travel long distances to other rooms or lower areas. DO NOT use in confined areas such as basements or bathrooms. Open all doors and windows to provide plenty of fresh air cross ventilation equal to outdoor conditions. DO NOT smoke. Extinguish all flames and pilot lights, and turn off stoves, heaters, electric motors and other sources of ignition during use and until all vapors are gone. Vapors may linger for 30 minutes or more after use. If you smell Alcohol, vapors are still present. Do not turn ignition sources on or relight pilot lights until certain that all vapors are gone. Avoid rubbing; friction may cause static electric sparks which may ignite vapors. Do not attempt to start or re-ignite charcoal, wood or any other fire with this product. An explosive fire may result or fire may flash back into the can and explode. Do not transfer contents to unlabeled containers.

SAFETY NOTES: (1) Alcohol and its vapors are very flammable and burn with a virtually invisible flame; do not fill any alcohol burning device while ignited or hot. (2) Do not use in kerosene or oil burning devices, such as oil lamps, patio torches, or log lighters; a fire or explosion could result. Carefully read and follow all cautions on this label before using.

SEE SAFETY DATA SHEET FOR ADDITIONAL INFORMATION.

¡ADVERTENCIA!

Al vaciar este envase, puede quedar líquido o vapor peligroso al interior del mismo, lo cual puede ocasionar riesgos. No aplique presión ni corte, suelde de ninguna manera, perfore, esmerile, ni exponga a fuentes de calor, chispas, llama u otras fuentes de encendido. Este envase puede explotar. No vuelva a usar el envase vacío. Devuelva los envases vacíos a su proveedor para que sea reacondicionado profesionalmente para asegurar su seguridad; otros envases deben ser desechados adecuadamente.

En caso de incendio: Use espuma, CO₂ o químicos secos. No use un chorro directo de agua; esto causará que la llama se expanda. En caso de derrames o pérdidas:

DERRAMES PEQUEÑOS: Recoger con material absorbente. **DERRAMES GRANDES:** Contener y bombear en tambores. Evite que el material ingrese a los drenajes, cañerías o corrientes de agua.

Emergencia de carácter químico: Derrame, pérdida, exposición o accidente: LLAME A CHEMTREC en la tarde o fines de semana al: (800) 424-9300. Durante el horario de trabajo (800) 323-8611.

Este producto es entendido SOLAMENTE para uso industrial: Cuando lo maneje, use guantes y protección para los ojos. Aplique una conexión a tierra cuando transvasa el contenido.

Contains: 55 gallons
