

BACK TO NATURE

READY-STRIP RUST REMOVER *TECHNICAL DATA SHEET*

Description:

Back To Nature (BTN) Ready-Strip Rust Remover is an environmentally friendly, water-based, biodegradable, non-flammables remover of rust spots and stains. Rust is the result of a chemical process called oxidation and can stain anything it touches. BTN Ready-Strip Rust Remover uses a revolutionary, water-based formula to transform rust stains into harmless salts. BTN Ready-Strip Rust Remover is non-corrosive and does not contain phosphoric or hydrochloric acid. It is gentle enough and easy to use on most surfaces*.

Works on: * Removes most rust spots and stains from interior and exterior surfaces including concrete, toilets, sinks, bathtubs, appliances, refrigerators, dishwashers, washing machines, clothing, carpets, upholstery, autos, and rv's, fiberglass boats, rigging and sail, bicycles, metal, wrought iron fences, tools, stainless fittings, antiques and furniture, house siding, sporting goods, and more. Do not use on glass, it will etch or dull glass or other highly glazed surfaces.

TEST PATCH- Always do a test on an inconspicuous area first to determine results.

SHAKE BOTTLE BEFORE USE.

Instructions:

1. Use BTN Ready-Strip Rust Remover sparingly – a little goes a long way.
2. Spray BTN Ready-Strip Rust Remover on the rust spot and wait 2-3 minutes. Scrub gently and rinse with water. Wipe clean with a rag.
3. Repeat application on heavier rust stains.
4. When using on carpet, clothing or upholstery, test for colorfastness in a hidden area first.

Safety Instructions:

Avoid eye contact. If eye contact occurs, immediately flush with plenty of water for 15 minutes. Avoid contact with skin. If skin contact occurs, wash with soap and water. Do not take internally. If swallowed do not induce vomiting. Give 1 or 2 glasses of water and call a physician immediately. Contains oxalic acid.
