

**Product Number: 703**

**Product Name: M-1 Latex Paint Additive & Extender**

## **USE AND SAFETY INFORMATION**

**Sunnyside Latex Paint Additive & Extender** allows thick latex paints to be applied smoothly by brush or roller, and improves spray application of thick water borne paints. Sunnyside Latex Paint Additive & Extender will not affect overall drying time, but will extend “wet edge” or application time of water base coatings.

**Directions:** NOT FOR USE IN OIL BASE COATINGS. SHAKE WELL PRIOR TO USE. Add 2 to 6 ounces per gallon of latex paint or primer. Can also be used with other water base stains, varnishes, and epoxies. Always test a small amount of coating for compatibility and affect on coating and its application before starting job. Clean up with water.

**CAUTIONS:** CONTAINS PROPYLENE GLYCOL, WETTING AGENTS AND FLOW ADDITIVES. May cause eye and skin irritation. Do not transfer to unlabeled containers. Close container after use.

**WARNING:** THIS PRODUCT CONTAINS CHEMICALS KNOWN TO THE STATE OF CALIFORNIA TO CAUSE CANCER AND BIRTH DEFECTS, OR OTHER REPRODUCTIVE HARM.

**Safety and First Aid:** Eye and skin protection are recommended. Avoid eye contact. If eye contact occurs, immediately flush with plenty of water for 15 minutes and get medical attention. Avoid prolonged or repeated skin contact. If skin contact occurs, wash with soap and water. Do not take internally. If swallowed, do not induce vomiting. CALL A PHYSICIAN IMMEDIATELY. Provide adequate ventilation if used in a confined area.

**KEEP OUT OF REACH OF CHILDREN.**
