

**Product Number: 724**

**Product Name: Japan Drier**

## **USE AND SAFETY INFORMATION**

**Directions:** Sunnyside Japan Drier is concentrated. Use no more than 2 ounces per gallon of oil based paint, enamel or varnish, and mix thoroughly. Always follow manufacturer's directions for application of paint, enamel or varnish. Test before using. Use the minimum recommended amount in light colored paint since discoloration can occur.

**NOTE:** Sunnyside Japan Drier should not be used with latex paint, water based finishes, lacquers, polyurethanes, epoxy paint and other synthetic finishes.

**CAUTIONS:** CONTAINS PETROLEUM DISTILLATE AND NAPHTHENIC SALTS. Keep away from heat and flame. Prevent vapor build-up. Open all doors and windows to provide plenty of fresh air equal to outdoor conditions. Do not use without fresh air ventilation. DO NOT smoke. Do not transfer to unlabeled containers. Close container after each use. For disposal guidance, contact a household hazardous waste program, or your local or state government environmental control agency.

**Attention:** Do not attempt to start or re-ignite: charcoal, wood or any other fire with this product. An explosive fire may result or fire may flash back into the can and explode.

**Health Hazards:** Vapor harmful. May affect the brain or nervous system causing dizziness, headache or nausea. Causes eye, skin, nose and throat irritation. Avoid breathing vapor or spray mist. Open doors and windows to provide plenty of fresh air ventilation during application and drying. If you experience eye watering, headaches, dizziness or have difficulty breathing, increase fresh air or wear respiratory protection (NIOSH approved) or leave the area to obtain fresh air. Reports have associated repeated and prolonged occupational overexposure to solvents with permanent brain and nervous system damage. Intentional misuse by deliberately concentrating and inhaling contents may be harmful or fatal.

**WARNING:** THIS PRODUCT CONTAINS CHEMICALS KNOWN TO THE STATE OF CALIFORNIA TO CAUSE CANCER AND BIRTH DEFECTS, OR OTHER REPRODUCTIVE HARM.

**First Aid:** If swallowed, do not induce vomiting. CALL PHYSICIAN IMMEDIATELY. In case of eye contact, flush thoroughly with water and get medical attention; for skin contact, wash thoroughly and get medical attention if irritation persists. If overcome by vapors, remove to fresh air and get medical attention.

Use only with adequate ventilation.

**KEEP OUT OF REACH OF CHILDREN.**
