

Product Number: 801

Product Name: Kerosene

USE AND SAFETY INFORMATION

Directions for use as a fuel: Never fill an appliance that is hot. Do not open near flames or other source of heat. Fill fuel tanks carefully, taking care to avoid spilling fuel. Wipe off any excess or spilled fuel and close fuel container and appliance tank before igniting. **NOTE:** Do not attempt to start or re-ignite: charcoal, wood or any other fire with this product. An explosive fire may result or fire may flash back into the container and explode.

CAUTIONS: CONTAINS PETROLEUM DISTILLATE. Keep away from heat and flame. Prevent vapor build-up. Open all doors and windows to provide plenty of fresh air equal to outdoor conditions. Do not use without fresh air ventilation. **DO NOT** smoke. Do not transfer to unlabeled containers. Close container after each use. For disposal guidance, contact a household hazardous waste program, or your local or state government environmental control agency.

Attention: Do not attempt to start or re-ignite: charcoal, wood or any other fire with this product. An explosive fire may result or fire may flash back into the container and explode

Health Hazards: Vapor harmful. May affect the brain or nervous system causing dizziness, headache or nausea. Causes eye, skin, nose and throat irritation. Avoid breathing vapor or spray mist. Open doors and windows to provide plenty of fresh air ventilation during use. If you experience eye watering, headaches, dizziness or have difficulty breathing, increase fresh air or wear respiratory protection (NIOSH approved) or leave the area to obtain fresh air. Reports have associated repeated and prolonged occupational overexposure to solvents with permanent brain and nervous system damage. Intentional misuse by deliberately concentrating and inhaling contents may be harmful or fatal.

WARNING: THIS PRODUCT CONTAINS CHEMICALS KNOWN TO THE STATE OF CALIFORNIA TO CAUSE CANCER AND BIRTH DEFECTS, OR OTHER REPRODUCTIVE HARM.

First Aid: If swallowed do not induce vomiting. **CALL PHYSICIAN IMMEDIATELY.** In case of eye contact, flush thoroughly with water and get medical attention; for skin contact, wash thoroughly and get medical attention if irritation persists. If overcome by vapors, remove to fresh air and get medical attention.

Use only with adequate ventilation

KEEP OUT OF REACH OF CHILDREN.
